Code of Conduct and Philosophy

I. Philosophy

The Hawthorne Foundation is committed to providing quality services to all individuals with disabilities who are entrusted in its care. The Agency accepts the responsibility of ensuring the human rights of this special population.

All persons receiving services will be given the respect and dignity that are extended to others regardless of race, religion, national origin, creed, age, gender, ethnic background, sexual orientation, developmental or other disabilities, or health condition. The Hawthorne Foundation will not discriminate for these or any other reasons.

The Hawthorne Foundation accepts as its responsibility an active role in the development of a written Individualized Service Plan or Individual Educational Plan which has as its goal the maximization of an individual's abilities to participate in their environment, fostering social competency. This includes, but is not limited to, meaningful education, recreation and community programs and contacts with others who are not developmentally disabled, and enables the person to live as independently as possible.

The Hawthorne Foundation will ensure all services, including assistance and guidance, are provided by staff trained to administer the services adequately, skillfully, safely and humanely, with full respect for the individual's dignity and personal integrity. The Agency believes every individual should be given the opportunity to:

- Live in the least restrictive environment of their choice
- Live in an atmosphere of acceptance, warmth, understanding and security

The Hawthorne Foundation will actively participate in planning, educating, obtaining and coordinating services, using available community resources to assist each individual in reaching his/her maximum potential.

For all employees who have authority to make decisions that may involve compliance issues, the Hawthorne Foundation will conduct a reasonable and prudent background investigation, including a reference check, as part of every employment application.

II. Disciplinary Action - General

Employees who fail to comply with the Agency's compliance policy and standards, or who have engaged in conduct that has the potential of impairing the Agency's status as a reliable, honest, and trustworthy service provider, will be subject to disciplinary action, up to and including termination. Any discipline will be appropriately documented in the employee's personnel file, along with a written statement of reason(s) for imposing such discipline. The Compliance Officer shall maintain a record of all disciplinary actions involving the Compliance Plan and report at least quarterly to the Board of Directors regarding such actions.

III. Performance Evaluation - Supervisory

Agency's Compliance Program requires that the promotion of, and adherence to, the elements of the Compliance Program be a factor in evaluating the performance of Agency employees and contractors. They will be periodically trained in new compliance policies and procedures. In addition, all managers and supervisors will:

- a. Discuss with all supervised employees the compliance policies and legal requirements applicable to their function.
- b. Inform all supervised personnel that strict compliance with these policies and requirements is a condition of employment.
- c. Disclose to all supervised personnel that the Hawthorne Foundation will take disciplinary action up to and including termination or revocation of privileges for violation of these policies and requirements.

IV. Disciplinary Action - Supervisory

Managers and supervisors will be sanctioned for failure to adequately instruct their subordinates or failure to detect noncompliance with applicable policies and legal requirements where reasonable diligence on the part of the manager or supervisor would have led to the earlier discovery of any problems or violations and would have provided the Hawthorne Foundation with the opportunity to correct them.

Auditing and Monitoring of Compliance Activities

I. Internal Audits

Ongoing evaluation is critical in detecting non-compliance and will help ensure the success of the Hawthorne Foundation's Compliance Program. An ongoing auditing and monitoring system, implemented by the Compliance Officer and in consultation with the Compliance Committee, is an integral component of our auditing and monitoring systems. This ongoing evaluation shall include the following:

- Review of relationships with third-party contractors, specifically those with substantive exposure to government enforcement actions;
- Compliance audits of compliance policies and standards; and
- Review of documentation and billing relating to claims made to federal, state, and private payers for reimbursement, performed internally or by an external consultant as determined by Compliance Officer and Compliance Committee.

The audits and reviews will examine the Agency's compliance with specific rules and policies through on-site visits, personnel interviews, general questionnaires (submitted to employees and contractors), and consumer record documentation reviews.

II. Plan Integrity

Additional steps to ensure the integrity of the Compliance Plan will include:

- Annual review with legal counsel of all records of communications and reports by all employees or contractors kept in accordance with this Plan.
- The Compliance Officer will be notified immediately in the event of any visits, audits, investigations, or surveys by any federal or state agency or authority, and shall immediately receive a photocopy of any correspondence from any regulatory agency charged with licensing the Agency and/or administering a federally or state-funded program or County-funded program with which the Hawthorne Foundation participates.
- Establishment of a process detailing ongoing notification by the Compliance Officer to all appropriate personnel of any changes in laws, regulations, or policies, as well as appropriate training to assure continuous compliance.

Detection and Response

I. Violation Detection

The Compliance Officer, Chief Executive Officer, and the Compliance Committee shall determine whether there is any basis to suspect that a violation of the Compliance Plan has occurred.

If it is determined that a violation *may have* occurred, the matter shall be referred to legal counsel who, with the assistance of the Compliance Officer, shall conduct a more detailed investigation. This investigation may include, but is not limited to, the following:

- Interviews with individuals having knowledge of the facts alleged;
- A review of documents; and
- Legal research and contact with governmental agencies for the purpose of clarification.

If advice is sought from a governmental agency, the request and any written or oral response shall be fully documented.

II. Reporting

At the conclusion of an investigation involving legal counsel, he/she shall issue a report to the Compliance Officer, Chief Executive Officer, and Compliance Committee summarizing his or her findings, conclusions, and recommendations and will render an opinion as to whether a violation of the law has occurred.

The report will be reviewed with legal counsel in attendance. Any additional action will be on the advice of counsel.

The Compliance Officer shall report to the Compliance Committee regarding each investigation conducted.

III. Rectification

If the Hawthorne Foundation identifies that an overpayment was received from any third party payer, the appropriate regulatory (funder) and/or prosecutorial (attorney general/police) authority will be appropriately notified with the advice and assistance of counsel. It is Hawthorne Foundation policy to not retain any funds that are received as a result of overpayments. In instances where it appears an affirmative fraud may have occurred, appropriate amounts shall be returned after consultation and approval by involved regulatory and/or prosecutorial authorities. Systems shall also be put in place to prevent such overpayments in the future.

IV. Record Keeping

Regardless of whether a report is made to a governmental agency, the Compliance Officer shall maintain a record of the investigation, including copies of all pertinent documentation. This record will be considered confidential and privileged and will not be released without the approval of the Chief Executive Officer or legal counsel.

Whistleblower Provisions and Protections

I. Provisions

The False Claims Act provides protection to qui tam relators who are discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of their employment as a result of their furtherance of an action under the False Claims Act.

The Hawthorne Foundation will not take any retaliatory action against an employee if the employee discloses information about the Agency's policies, practices or activities to a regulatory, law enforcement or other similar agency or public official. Protected disclosures are those that assert that the Hawthorne Foundation is in violation of a law that creates a substantial and specific danger to the public health and safety or which constitutes health care fraud under the law or that assert that, in good faith, the employee believes constitute improper quality of patient care.

II. Protections

The employee's disclosure is protected only if the employee first brought up the matter with a supervisor and gave the employer a reasonable opportunity to correct the alleged violation, unless the danger is imminent to the public or patient and the employee believes in good faith that reporting to a supervisor would not result in corrective action.

The Hawthorne Foundation will protect qui tam relators with remedies that include reinstatement with comparable seniority as the qui tam relator would have had but for the discrimination, two times the amount of any back pay, interest on any back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorneys' fees.

If the Agency takes a retaliatory action against the qui tam relator (employee), the employee may sue in state court for reinstatement to the same, or an equivalent position, any lost back wages and benefits and attorneys' fees.
